[:Claim number 70151730000046309800 :]

[:Date: December 30, 2021 - Regarding Beneficiary Estate CYNTHIA KAY HAYNES]:  
[:and case # 13RI-CV00554:]

**For the C.-S.-S.-C.-P.-S.-G.-P.-: - :Stop-and-correct-claim and voidance of perjury:**

: For the void of perjury, plaintiff to provide the oaths of all parties, title, and statutes, written in the Correct Correct-Sentence-Structure-Parse-Syntax-Grammar-Performance.

[: PLAIN LANGUAGE - I am happy to discharge or settle any verified claims “MOTION FOR CONTEMPT and ORDER TO SHOW CAUSE” in the matter of case #13RI-CV00554 on the following conditions:].

~1. [: I request specific necessary proofs, as listed below in order to assist you with your matter, but I have not received several items we would require in order to proceed:].

~2. [: I have not received closure as to which dictionary or styles manual you are writing from in your documents, which I can easily refer to and understand as attached to the alleged contract in this matter, in this case 13RI-CV00554 including the documents Attached as Exhibits 010-018 and each document filed or used in any way relating to and for case 13RI-CV00554:].

[ : As a result of this non-clarity, this raises possible issues with Americans with Disabilities Act (ADA), the rule of Antitrust with the Federal Trade Commission, the Fair Debt Collection Practices act, and/or other acts such as 18 USC 1001, and 18 USC 1341 and 18 USC 1342 involving commercial communications and the Universal Postal Union and otherwise. One major concern has been the use of a non-correct name(s) and/or fictitious similar name(s) being used for profit, and done so without my express written authorization.:].

~3. [I have received several documents which are attached, which I have questions regarding areas of style, definitions, grammar, and explanation of [boxing] methods being used. See enclosed documents Exhibits 001-009 and markings which raise such questions I still have as of this time. There are substantial lack of definitions and syntax and grammar issues, making it impossible to understand and unconditionally accept any of these documents which now have been forensically analyzed and marked, to aid in your detailed response. Please respond and correct each marking and explain it to me with definitions, and sign to this via a sworn, notarized, affidavit statement, under your full commercial liability, under penalty of perjury that the facts contained therein are true, correct and complete, and not misleading in any manner whatsoever. Mere declarations are an insufficient response, as declarations permit lying by omissions, which no honorable draft may contain, because I understand none of this at this time, even with or without counsel. A full correction with an explanation of all terms, variable syntax, grammar issue notes, and boxing deletions relating to the four corners rule, is required to proceed:].

~4. [ : My fee schedule for having to deal with this matter equals actual expenses plus \$1,500 per hour, whereby I now have spent 9.0 hours today on correspondence, in research and evidence gathering, for a total to this point for today of \$13,500 USD to date, plus expenses for postage, transportation, and fines as related to violation of federal or state laws as may be allowed. A final bill will be submitted once determined:].

~5. [ : On examining your paperwork, i have come to the conclusion that there may be more than one person or party making these offers to contract. Therefore, all parties are equally and severally liable in their individual capacity for the final bill due:].

~6. [ : In my law-abiding capacity and coming in honor, I require to see the following information before proceeding further with your offer:]:

~a. [ : Of all parties receiving this notice, provide your full given Names using no abbreviations or all capitalized names, or fictitious titles. See 6 CFR 37.3 "Full legal name means an individual's first name, middle name(s), and or last name or surname, without use of initials or nicknames." :].

~b. [ : Your certified qualification and official capacity, with letters of appointment:].

~c. [ : Certified Evidence and proof of your mandate or authority and Bond, and actual state-issued license, and not merely a BAR Union Membership Card if applicable as an attorney:].

~d. [ : Certified Oath of office copy with proper autographs accepting full liability:].

~e [ : Your certified Anti Bribery statement as directed by the Foreign Corrupt Practices Act – Anti-Bribery Provisions, as was required when you took your oath, and I require your completed foreign

registration statement [Exhibit 019-025] which must be on file, as all those who take oaths become foreign at the time of the oath, per Title 22 USC Code 612.:

~f. [ Complete validation of the debt claimed made, do so under oath, complete with original signatures of both parties on each side of the subject contract. This could also include a signed and sworn affidavit of a real party in interest who says I have harmed them. This would be required to proceed with an USC Article 3 jurisdiction and trial:].

~g. [ Correction of syntaxed documentation from all parties participating to bring a change of suit in this case, and the bonds they provided, including definitions and sources of words used, to protect and indemnify me in the event of a harm by those parties, plus their sworn evidence via a sworn, notarized, affidavit statement, under your full commercial liability, under penalty of perjury that the facts contained therein are true, correct and complete, and not misleading in any manner whatsoever. Mere declarations are an insufficient response, as declarations permit lying by omissions, which no honorable draft may contain that they are acting within their official capacity. Personal addresses of those parties would also be required in the event these parties acted outside their authority, and therefore their private capacity:].

~h. [ I further require a copy of all tax forms you and all parties will file, resulting from profits derived from securities generated for the case. I require this disclosure, so I do not have to report such suspicious activity myself to IRS CID myself on a 4490 and 8281 or otherwise, regarding the possible unreported tax liability and taxable activity of those parties:].

~y. [ : Is it not true and correct WILLIAM J. **EXHIBIT E**

**18 U.S. Code § 8 - Obligation or other security of the United States defined**

The term "*obligation* or other security of the United States" includes all bonds, certificates of indebtedness, national bank currency, **Federal Reserve notes**, Federal Reserve bank notes, coupons, United States notes, Treasury notes, gold certificates, silver certificates, fractional notes, certificates of deposit, bills, checks, or drafts for money, drawn by or upon authorized officers of the United States, stamps and other representatives of value, of whatever denomination, issued under any Act of Congress, and canceled United States stamps. (June 25, 1948, ch. 645, 62 Stat. 685.)

**31 U.S. Code § 3124 - Exemption from taxation**

(a) Stocks and *obligations of the United States* Government are **exempt** from taxation by a State or political subdivision of a State. The exemption applies to **each form of taxation** that would require the obligation, the interest on the obligation, or both, to be considered in computing a tax, except—

(1) a nondiscriminatory franchise tax or another non-property tax instead of a franchise tax, imposed on a corporation; and

(2) an estate or inheritance tax.

(b) The tax status of interest on obligations and dividends, earnings, or other income from evidences of ownership issued by the Government or an agency and the tax treatment of gain and loss from the disposition of those obligations and evidences of ownership is decided under the Internal Revenue Code of 1986 (26 U.S.C. 1 et seq.).

An obligation that the Federal Housing Administration had agreed, under a contract made before March 1, 1941, to issue at a future date, **has the tax exemption** privileges provided by the authorizing law at the time of the contract. This subsection does not apply to obligations and evidences of ownership issued by the District of Columbia, a territory or possession of the United States, or a department, agency, instrumentality, or political subdivision of the District, territory, or possession. (Pub. L. 97-258, Sept. 13, 1982, 96 Stat. 945; Pub. L. 99-514, § 2, Oct. 22, 1986, 100 Stat. 2095.)

"A debt is not paid by the giving of a note." *Noland Co. v. Maryland Casualty Co.*

"A [Federal Reserve] note is only a promise to pay and not payment," *Fidelity Savings State Bank v. Grimes*, 131 P.2d 894.

"The "giving of a [Federal Reserve] note DOES NOT constitute payment." See *Echart v Commissioners C.C.A.*, 42 Fd2d 158.

## Exhibit P. 027 of 035

"Legal Tender [Federal Reserve] Notes ARE NOT good and lawful money of the United States." See Rains v State, 226 S.W. 189.

"Federal reserve notes ARE valueless." See IRS Codes Section 1.1001-1 (5657) C.C.H.

The individual cannot be compelled to use 'federal money,' nor federal negotiable instruments, Federal Notes (Swanson v. Fuline, 248 F. Supp. 364) the federal reserve being a private corporation (Lewis v. U.S., 680 F.2d 1238 at 1241) which is engaged in commercial activity by law of merchants (UCC 721-1-103) USE OF FEDERAL RESERVE NOTES IS "USE OF PRIVATE CREDIT" PURSUANT TO LEWIS v. UNITED STATES, SUPRA.

"Checks aren't money in themselves." I BET YOU THOUGHT from the Federal Reserve Board of N., p. 7.

"They [checks] are simply order forms instructing banks and other depository institutions such as savings banks and credit unions to move transaction balances, which are money." I BET YOU THOUGHT from the Federal Reserve Board of N., p. 7.

"Banks don't keep cash in checking accounts - and don't transfer currency or coin when acting on a check's instructions." I BET YOU THOUGHT from the Federal Reserve Board of N. p. 7.

(FRN) 18 U.S.C. § 8 FEDERAL RESERVE NOTES are not money or legal tender. (FRN) 18 U.S.C. § 8 FEDERAL RESERVE NOTES are not money or legal tender. Public Law 73-10, Chapter 48, 48 Stat 48 112, 12 U. S. C. 411; Securities Act § 2(1), 3(a)(3), AND settlement in terms of Congressional Statutes At Large, Title 62.

Contracts requiring Corporate Legal BANK money that is not true money like: bank checks, money orders, attorney checks, FEDERAL RESERVE PROMISSORY NOTE DOLLARS, cashier checks, and certified checks from a bank or escrow company are illegal pursuant to Title 31 U.S.C. §5118(d)(2), 31 U.S.C.A., § 463, and Public Law 97-258 (September 13, 1982) contracts requiring only types of BANK money to pay debts are Illegal.

To remain in Honor, and absent a legal tender from the Debtor for payment of this debt, or your rejection of any non-legal tender from the Debtor for payment of this debt, what has this State made by Law or Statute - a compelled tender from Debtor, in payment of this debt?

Even though in the case, Guaranty Trust of New York vs. Henwood; 1977 (makes reference to Title 31 § 5118 )

## Exhibit P. 028 of 035

“...legal tender for the discharge of debt is no longer required”, legal tender are Federal Reserve Notes. The Federal Reserve Bank of Chicago in its booklet: Modern Money Mechanics (page 2), states; “In the United States neither paper currency [e.g., Federal Reserve Notes] nor deposits have value as commodities. Intrinsicly, a dollar bill is just a piece of paper, deposits merely book entries. The acceptance of said “currency” is merely a “confidence” game predicated upon the people’s faith or “confidence” that these currencies/instruments can be exchanged/accepted for goods and services”.

**“In section one of HJR-192 there is a single very important sentence, which states: “Any such provision contained in any law authorizing obligations to be issued by or under the authority of the United States, is hereby repealed. This is hugely important because under § 16 of the Federal Reserve Act (above, at PART ONE) the Federal reserve notes issued under that section were expressly said to be obligations of the United States. Then, in June of 1933 the authority to issue those § 16 Federal reserve notes was repealed! Result? ALL Federal reserve or Reserve notes are without authority of law.”**

The United States Supreme Court said, in *United States v. Russell* [13 Wall, 623, 627] “Private property, the Constitution provides, shall not be taken for public use without just compensation.” The National Debt is defined as “mortgages on the wealth and income of the people of a country.” (Encyclopedia Britannica, 1959.) The United States cannot pledge or risk the property and wealth of its private citizens, for any government purpose without legally providing them remedy to recover what is due them on their risk. Black’s Law Dictionary, 5th edition, defines “surety”: “One who undertakes to pay or to do any other act in event that his principal fails therein. Everyone who incurs a liability in person or estate for the benefit of another, without sharing in the consideration, stands in the position of a “surety.” The rights of a surety to recovery on his risk or loss when standing for the debts of another was reaffirmed again as late as 1962 in *Pearlman v. Reliance Ins. Co.*, 371 U.S. 132 when the Court said: “sureties compelled to pay debts for their principal have been deemed entitled to reimbursement, even without a contractual promise”

FRNs are worthless? It says so in the IRS codes: Title 26 § 165 (g)(2)(C); this is where worthless securities are defined. “(g) Worthless securities: (2) For purposes of this subsection, the term “security” means: (C) a bond, debenture, note, or certificate, or other evidence of indebtedness, issued by a corporation or by a government or political subdivision thereof, with interest coupons or in registered form”. Federal Reserve Notes are evidence of a debt, an instrument registered (serial numbers) and created by a corporation. Anything that is not gold or silver from the government is evidence of indebtedness. Section g2C declares it a security of indebtedness and that it is worthless, in complete agreement with the 14th Amendment § 4, “The validity of the public debt shall not be

questioned, but all such debts, obligations, and claims shall be held illegal and void”.

The most common form of legal tender today is Federal Reserve notes, which by law cannot be redeemed for gold since 1934 or, since 1964, for silver. See, 31 U.S.C. Sections 5103, 5118 (b), and 5119 (a).
