25		Dealing with claims of "immunity." Any claim of "immunity" is a fraud because, if valid, it would prevent removal from office for crimes against the people, which removal is authorized or even mandated under U. S. Constitution Article 2, Section IV, as well as 18 USC 241, 42 USC 1983, 1985, 1986, and other state Constitutions. Precedents of Law established by COURT cases, which are in violation of law, render violations of law legally unassailable. Such a situation violates several specifically stated intents and purposes of the Contitution set forth in the Preamble: to establish justice, insure domestic tranquility and secure the blessings of liberty. For Judges, or anyone in any branch of government. <a href="http://www.justia.com/injury/federal-tort-claims-act-ftca/">http://www.justia.com/injury/federal-tort-claims-act-ftca/</a>
